Overview of Employment Sponsorship, Visa Process & Billing Structure

1. Employment & Visa Structure
I am legally employed under an employment sponsorship arrangement with Nathan & Nathan (Dynamic Employment Services L.L.C). My residence visa, Emirates ID, and medical insurance are all issued under this sponsorship. All attached documents relate to this compliant employment structure.

2. Payroll Record (Direct Debit / Direct Credit – Compliance Mechanism)
• For payroll and employment compliance purposes, a **notional monthly salary of AED 1,600** is recorded.
• As I am not paid a traditional salary by the company, this amount is **temporarily debited** from my bank account each month.
• On the company's payroll date, the **same amount (AED 1,600) is credited back** to my bank account.
• This direct debit and direct credit mechanism is used **solely to reflect a salary entry** for banking, payroll, and visa compliance.
• The AED 1,600 **does not represent a fee, cost, or deduction** and has **no net financial impact** on me.

3. Invoicing & Client Registration
Invoices are generated through an official invoicing portal. Clients are registered on the platform and invoices are issued only to registered clients in compliance with UAE regulations.

4. Client Payment Process
Clients do not pay me directly. Invoice payments are made to the company account via the official invoicing portal.

5. Transfer of Funds to Me (Service Provider)
After receipt of client funds, the company transfers the relevant amounts to my personal account, ensuring transparent accounting and regulatory compliance.

6. VAT & Service Fee
VAT (5%) is charged to the client. A service fee of **2.5%** is deducted from my earnings and is not charged to the client.

7. Example
Service Amount: AED 10,000
VAT (5%): AED 500
Total Paid by Client: AED 10,500
Service Fee (2.5%): AED 250
Net Amount Received by Me: AED 9,750

8. Payment Flow Summary
Client → Invoicing Portal → Company Account → My Personal Account

If you fail to comply with your obligations under this Mandate, the Rules or our terms and conditions, this may result in liability for costs or losses suffered by us or the Creditor Bank. Further, it may prejudice rights to which you may otherwise be entitled.	www.centralbank.ae
3. Please note that the Rules refer to you as the 'Payer', us as the 'Paying Bank', the Creditor as the 'Originator' and the Creditor's Bank as the 'Sponsoring Bank'. In the Rules, the Mandate is called, variously, the 'Direct Debit Authority' or 'DDA. Therefore, for the purposes of the Rules and this Mandate, those terms should be understood accordingly.	
4. You are obliged to maintain sufficient funds in your account in order to meet the payments specified in this Mandate. Partial settlement of direct debit claims, save in limited circumstances, will not be executed.	
5. We will act upon your written request to cancel this Mandate, or request that particular payments not be made (termed a 'Stop Request') at your own discretion. In the absence of such requests, we will continue to act on the basis of the Mandate in place at that time. Your written requests to amend or cancel this Mandate, or request that particular payments not be made can also be submitted through the Originator. It may take up to 5 working days to Cancel/Amend the Mandate. In the meantime direct debits will continue as normal.	
6. Where a payment request is lodged by the Creditor's Bank into the UAEDDS and it is rejected for any reason, the Creditor Bank is entitled to re-present the payment request up to a maximum of four times. We will charge you for every payment request and represented request that are being returned due to insufficient funds in your account.	
7. If you believe that the payment out of your account by direct debit should not have been made, then you should inform us in writing within 30 (thirty) days of the statement date of your account showing the payment, then in the absence of us agreeing otherwise, we are not obliged to entertain any request to refund your account with the relevant amount. The basis upon which we are obliged to provide a refund are limited, and relate to the application of the Rules and, for the avoidance of doubt, do not include issues in connection with your contract or arrangements with the Creditor and are set out in the Rules.	
8. It is your obligation to exercise reasonable care and vigilance in the operation of your account in the context of direct debit payments. We will make payments on the basis of this Mandate (as from time to time amended validly), and are not otherwise obliged to review or inform you about activity on your account, unless mutually agreed and except as required by the Rules.	
9. You are not permitted to close the account to which this Mandate relates without making arrangements with the Creditor to do so, and validly cancelling the Mandate in accordance with these terms.	
10. If you request a refund and we turn down your request, then, if you remain dissatisfied, you should either try to resolve the matter with the Creditor or you may request the UAE Central Bank to consider the issue using the UAEDDS Dispute Resolution Procedure. The UAE Central Bank will not accept requests that are based upon your contract or arrangements with the Creditor, and generally has discretion as to whether it is prepared to intervene.	
11. We may in certain circumstances, for example, in order to comply with relevant sanctions as imposed by CBUAE or anti-money laundering rules, refuse to follow a direct debit instruction or amend or cancel it (even if the request is valid otherwise). We may also ask you for further information before executing a direct debit if we feel it necessary, and this may delay execution of your instruction.	
12. If there is more than one direct debit on your account, the Direct Debit Requests from the Originator will be processed on a first-in first-out basis. This will result in one or more Direct Debit Requests being dishonored if there are insufficient funds in your account to meet all payments.	
13. Please note that if you choose a variable amount and decide not to agree a cap with your Creditor in this form, the Creditor will have an unlimited right to choose the amount deducted from your account, and the Paying Bank will have no liability to you or the Creditor for any dispute between you about the variable amount, unless the cap has been breached.	
14. If the date(s) intimated by the Originator on which the Direct Debit Requests (DDR) under this Mandate will be raised falls on a holiday(s), then such DDR's will be raised by the Originator within 7 business days immediately following the holiday(s).	
15. Notices 15.a. Any notice relating to this Mandate shall be in writing and provided or accepted either in Arabic or in English or both. 15.b. Notices will be sent to you by pre-agreed means. 15.c. If a notice is received outside business hours, then it is received the next business day.	
16. The terms of this Mandate shall be construed in accordance with and governed by the applicable laws of the UAE including the Federal Law No.(18) of 1993 Commercial Transactions Law. Thus in the event of a dispute, you shall submit to the jurisdiction of the UAE Courts.
